**PROCLAMATIONS:**

- *Designating the Month of October in the Township of Millstone as Domestic Violence Awareness Month*

*WHEREAS, Home should be a place of warmth, unconditional love, tranquility; and  
WHEREAS, the crime of domestic violence violates an individual's privacy and dignity, security and humanity, due to systematic use of physical, emotional, sexual, psychological and economic control and/or abuse including abuse to children and elderly; and*

***WHEREAS**, the problems of domestic violence are not confined to any group of people, but cut across all economic, racial and societal barriers, and are supported by societal indifference; and*

***WHEREAS**, the impact of domestic violence is wide ranging, directly affecting Individuals and society as whole, here in the community, throughout the United States and the world; and*

***WHEREAS**, battered women have been in the forefront of efforts to bring peace and equality to the home.*

***NOW THEREFORE**, I, Bob Kinsey, Mayor of the Township of Millstone, in recognition of the important work done by domestic violence programs, do hereby proclaim the month of October to be Millstone Township Domestic Violence Awareness Month and urge all citizens to actively participate in the scheduled activities and programs to work toward improving victim safety and holding perpetrators of domestic abuse accountable for their actions against individual victims and our society as a whole.*

***Proclaimed this 5th. day of October 2016.***

***Bob Kinsey, Mayor***

***•National Breast Cancer Awareness Month***

***WHEREAS**, for more than 25 years, National Breast Cancer Awareness Month has been a time to reaffirm our commitment to fighting breast cancer and to remind ourselves of the importance of prevention and early detection; and*

***WHEREAS**, Breast Cancer remains one of the most frequently diagnosed cancers among American women and despite remarkable advances in treatment and prevention, it remains the second leading cause of cancer death. This year alone, it is estimated that more than 246,660 U.S. women as well as 2,600 men each year will be diagnosed with breast cancer and 40,890 will die of the disease; and*

***WHEREAS**, regular mammography screening can help lower breast cancer mortality by finding breast cancer early, when the chance of successful treatment is best; and*

***WHEREAS**, if 90 percent of women 40 and older received breast cancer screening, 3,700 lives would be saved each year. Costs, even moderate co-pays, deter many patients from receiving these important screenings. Under the Affordable Care Act, women's preventive health care – such as mammograms and screenings for cervical cancer – is covered with no co-pays or other out-of-pocket costs; and*

***WHEREAS**, in addition to regular mammography screening, there are steps that women can take that may help reduce their risk of developing breast cancer. Women should talk with their doctor about their personal risk for breast cancer; and*

***WHEREAS**, the Affordable Care Act is also helping women who are going or have gone through costly breast cancer treatment. Beginning in 2014, it's illegal for insurance companies to discriminate against anyone with a pre-existing condition.*

***WHEREAS**, these changes are making real differences in the lives of American women and families. Prevention, coupled with continued research, will help save more lives and improve the quality of life for all of us touched by breast cancer.*

***NOW, THEREFORE**, I, Bob Kinsey, Mayor of the Township of Millstone, join leaders around the country in recognizing the Month of October 2016 as **NATIONAL BREAST CANCER AWARENESS MONTH** and declaring it to be so in Millstone Township, and urge all women and their families to get the facts about mammography and breast cancer.*
